5. Notes to the Financial Statements

5.1 Basis of preparation

These are management accounts of BHARAT MART LTD prepared for internal and stakeholder information. They are unaudited and have not been filed with Companies House. They are prepared on the accruals basis following the principles of FRS 102 Section 1A.

5.2 Accounting period

This is an interim period following the first accounting period ended 31 July 2026. Opening balances are the closing balances of that period.

5.3 Currency

Amounts are presented in pounds sterling (GBP). Transactions in other currencies, including INR, are translated at the rate on the transaction date.

5.4 Turnover recognition

Turnover is recognised when services are delivered or goods are supplied, net of VAT and discounts.

5.5 Taxation

Corporation tax is provided at the rate applicable to the company's profits for the period.

5.6 Related parties

The director's loan from Rishabh Garg described in these notes is a related party balance. There were no other related party transactions.

5.7 Post balance sheet events

None.

5.8 Turnover

Turnover of £393,000 comprises web commerce sales of £68,560 and wholesale business to business sales of £324,440.

5.9 Cost of sales

Cost of sales comprises partner vendor payments of £170,000 and logistics services from Cargo Northeast Ltd of £8,000.

5.10 Administrative expenses

Technology maintenance of £7,500 is shown under software and subscriptions. Payment gateway charges of £983 are 0.25% of total turnover of £393,000, deducted by the payment provider from receipts.

5.11 Corporation tax estimate

Corporation tax of £47,941 is estimated at the 25% main rate on accounting profit, as profit for the period exceeds the time-apportioned upper limit. The final charge depends on the profit for the full corporation tax period ending 31 July 2027 and on capital allowances to be computed by the accountant. The balance payable of £52,239 includes £4,298 for the previous period.

5.12 Dividends allocated, to be paid

No dividends were paid in the period.
